

TM RACING USA made a exclusive agreement with FASTER USA for their production of TM hubs.

From now on we can offer the hubs exclusive to our customers - even complete wheels are possible. Here are the prices:

HUBS (available in all colors)

front hub is based on the KTM and the rear is based on HONDA - both with special spacers

Retail prices - FRONT HUB - \$ 249.00

REAR HUB - \$299.00

(hubs come with spacers and seals)

WHEELS (available in different colors)

we can offer also complete wheel sets if you dont want to assemble them yourself with an black EXCEL rim you are looking at

\$ 1,195.00
